The principle of compassion lies at the heart of all religious, ethical, and spiritual traditions, calling us always to treat all others as we wish to be treated ourselves. Compassion impels us to work tirelessly to alleviate the suffering of our fellow creatures, to dethrone ourselves from the center of our world and put another there, and to honor the inviolable sanctity of every single human being, treating everybody, without exception, with absolute justice, equity, and respect.

As a potential board member, one must be willing to make a commitment to the principles of the Charter of Compassion and Compassion Fayetteville in order to serve. One can sign the Charter of Compassion using the link below. Serving on the Board means one has signed the Charter and is supporting the principles of the Charter and Compassion Fayetteville
